### 1500 South Ph II; Redwood Rd (SR-68) to 1450 West ( DAVIS County )

#### Route

FA-1410

#### Description

This project will fully reconstruct the existing roadway. Reconstruction includes the removal of the old road as well as the base materials it was built on. Reconstruction might also include drainage and drainage systems, new signing and striping, widening, including additional lanes, widened shoulders and auxiliary lanes.

#### Community Notices

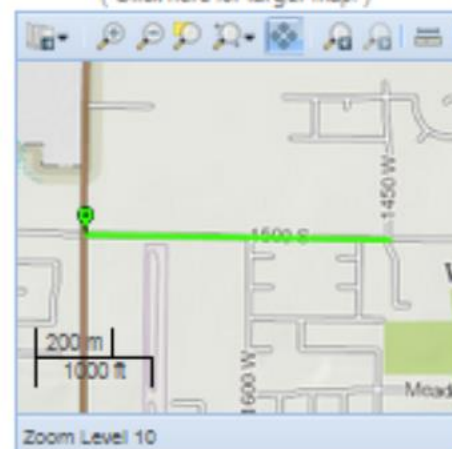

Project impacts to travel can be found on the UDOT Traffic website, [www.udot.utah.gov/traffic](http://www.udot.utah.gov/traffic).

#### Schedule

- Actual Advertised Date - April 2013
- Actual Construction Start Date - June 2013
- Contracted Construction End Date - December 2013

# SR-232; Hill Field Rd. Inter. Mod. Construction (2015)

Close

## Route

SR-232

## Description

Thru Turns will be installed at the intersections of Hill Field and Main (West side) and Hill Field and Gordon Ave (East side). Left turn and through access at the mall (at Gordon Ave) will be restricted as well. Traffic from the mall will be spread across the other access points, aiding in the elimination of congestion so close to the interstate. An additional left turn lane will be added to the NB to WB turn lanes at Gordon Ave and Main Street on the west side. An additional lane will be added under the I-15 structures in each direction.
